**Re: Carolina Procurement Institute, Inc. – Class E Certificate
Docket No. 2016-28-T**

Dear Ms. Boyd:

Enclosed for filing on behalf of Carolina Procurement Institute, Inc. (“CPI”) is a Supplement to the Application for a Class E Certificate of Public Convenience and Necessity to transport household goods in South Carolina and for *nunc pro tunc* approval of authority to the transport U.S. Department of Defense shipments. The Application filed on January 15, 2016, did not contain the newest version of page 8. Therefore, we are supplementing the Application with the attached current version of page 8.

We are also filing a proposed “Notice of Filing” and respectfully request that the publication and intervention deadlines be expedited as much as possible. In addition, we request that the hearing be scheduled as soon as possible. A word version of the proposed “Notice of Filing” will be emailed to the Commission.

By copy of this letter we are providing copies of the above to the SC Office of Regulatory Staff. I appreciate your assistance in this matter. Should you have any questions, please contact me.

Very truly yours,

ROBINSON, MCFADDEN & MOORE, P.C.

Bonnie D. Shealy
